Anti Slavery and Human Trafficking Policy

Public summary | POL-08 | Version 2026.10.23

Reviewed and approved 23 October 2026 | Approved by the Managing Director

Soniclean (South Yorkshire) Limited prohibits modern slavery, human trafficking, forced labour and unlawful child labour. We expect people working for us to be recruited fairly, paid lawfully and free from coercion.

Preventing exploitation

Our full policy focuses on labour-supply risks, contractor checks, worker awareness, safe reporting and action where concerns arise. We expect contractors and suppliers to apply equivalent standards and to address identified risks.

Safe reporting and action

The directors oversee the policy. Concerns can be raised privately with either active director or with an appropriate external authority. Immediate danger should be reported to the emergency services. We protect people who raise reasonable concerns from retaliation.

About this statement

This summary describes our policy commitments. It is not an annual modern slavery statement or a guarantee that all supply-chain risk has been eliminated.
