

Environmental and Sustainability Policy

Public summary | POL-21 | Version 2026.10.23

Reviewed and approved 23 October 2026 | Approved by the Managing Director

Soniclean (South Yorkshire) Limited is committed to reducing avoidable environmental harm while delivering safe, effective cleaning.

Responsible cleaning

Our priorities include correct product selection and dilution, responsible water and energy use, sensible travel, durable equipment, waste prevention and appropriate segregation. We work within the arrangements agreed for each site and the environmental duties that apply there.

Prevention and accountability

Our full policy sets out responsibilities, planning, pollution prevention, incident reporting and review. The directors oversee these arrangements through our quality management system.

Improvement and honest reporting

We aim to improve using practical actions and evidence. We do not present unverified environmental benefits, future targets or certification plans as completed achievements.
